JW, HR, Don't copy the excerpts from the Non-White Papers issued by the Non-White House from today's NYTimes. I got one merely to file. It is probably that doing almost anything else would be more informative that reading this new exercise in Taint Not So Neither "proof" which can also be described as When I Admit The Truth of What Is Alleged It Proves It Isn't So. The fidelity to Alice makes this a new Wonderland. Handling on CBS TV AM news, each paper in each half, excellent and informative to those who didn't follow either closely. From the electronic-media account, it is inevitable that GL has again cannibalized, at least Mitchell and Kleindienst. If there is prosecution and if this statement gets into evidence they are perjurers. Maybe Senate Judiciary will return to it? HW 1/9/74
